There will be a meet at Seattle. We will ship out goods.

The Puget Sound Chapter has 80 members but 20 paying. Jointly run with the center for Wooden Boats.

There is a Coast Guard proposal that PFCs be worn at all times. Should we take a position? CT has a rule for children under 12 and in canoes during the winter. What about re-enactors? We aren't necessarily against such a proposal. We are chartered as an education group. Should keep the membership informed.

Meeting adjourned at 1745.

Respectfully, Mike Wick, Secretary
